Concession Conditions

Section A - Pensioner, Seniors and Prescribed Service Persons Concession

- Applicants must be residents of Qld and holders of:
 - Pensioner Concession Card (Qld issued)
 - Seniors Card (Qld issued)
 - DVA letter (containing a Qld issued Ref. No.) stating that the applicant:
 - is at least 70% incapacitated under the *Veterans Entitlement Act 1986*
 - has been assessed as at least 50 impairment points under the *Military Rehabilitation and Compensation Act 2004*.
- Applications may be lodged at a customer service centre or, if you live in a rural area, a Queensland Government Agency Program office or a local police station that provides vehicle registration services. Alternatively, applications can be submitted by mail:

PO Box 2211
BRISBANE QLD 4001

or email: customer.service.support@tmr.qld.gov.au.
- **Note:** Applications must include a copy of the front and back of the concession card or supporting letter, refer above.
- The concession only applies to motor vehicles not over 4.5 tonnes GVM, motorbikes, motorised caravans (no GVM limit) with a 'private' purpose of use and recreational ships.
- The concession document must be in the same name as the registered operator of the vehicle or recreational ship and must be mainly for the applicant's own private use.
- An eligible person may only receive one concession for their vehicle and one for their ship at any one time.
- Only one concession per couple will apply.
- If a vehicle or ship is registered in joint names the following conditions apply:
 - For a married couple or defacto, where both are eligible for a concession, either person may submit an application. If only one person is eligible, the application must be made by that person.
 - For other relationships, both persons must be eligible for a concession and each must submit an application.
- Sole parent concession card holders can only have concessional registration if they are the sole registered operator.
- Pension card holders will need to provide proof of their eligibility for concessional registration if they need to move the concession to another vehicle. All other concession types will only need to complete a Registration Concession Application to withdraw and apply the concession to their new vehicle.

Section B - Special Interest Vehicle Concession Conditions of use for vehicles

The SIV Guide sets out the requirements for registering vehicles under the scheme and explains the conditions under which the scheme operates. Registered operators must meet the specific requirements in the guide to be eligible for the concession. The registered operator must then continue to comply with the conditions when using their vehicle. These conditions are:

Club membership: Evidence of current membership with a Qld incorporated vehicle club or association must be provided on club letterhead or official club documentation at the time of application for a concession. It must be signed by a club official and include vehicle's details. Where a genuine reason is provided for not meeting this condition, it may be waived by the department.

Historic Dating and Vehicle Certificate (if applicable): A dating certificate is only required if the date of manufacture cannot be verified by the department. If a dating certificate is required, a club official must certify that the vehicle is authentic and was manufactured at least 30 years ago. This certificate, which must be on club letterhead or other official club documentation, will need to be presented when applying for a registration concession.

Lighting: If the vehicle does not have permanent lighting, then the registered operator must carry a removable lighting system with the vehicle at all times and use that system whenever lighting would normally be required. Carbide lights are acceptable where that type of light was originally fitted.

Use of vehicles registered with a Special Interest Vehicle Concession is restricted to the following:

- Participating in rallies organised by incorporated vehicle clubs.
- Participating in processions for which a Special Event Permit has been issued under the *Transport Operations (Road Use Management - Accreditation and Other Provisions) Regulation 2015*.
- Exhibiting the vehicle in displays, fetes or similar functions conducted for religious, charitable or educational purposes.
- Use for ceremonial purposes (such as, weddings, formals, funerals) involving immediate family members or as part of a sanctioned club event, provided this is not done for fee or reward. Immediate family means parents, grandparents, sons, daughters, grandchildren but not extended family relationships such as aunts, uncles, nephews and nieces.
- Preparing for, proceeding to, and returning from the above activities.
- Direct travel to and from an Approved Inspection Station for the purposes of obtaining a safety certificate before the vehicle is for sale.
- Travel in order to have the vehicle repaired. There is no distance restriction in these circumstances however such travel must be reasonable and justified by the vehicle owner.
- In addition to the above, street rods may participate in events sanctioned by the Australian Street Rod Federation.
- Heavy vehicles are permitted to carry a load provided the loaded GVM or GCM does not exceed 50% of the maximum permitted mass for the vehicle configuration. This mass is determined based on the lesser of the following:
 - individual axle ratings
 - tyre manufacturer's limits
 - manufacturer's GVM or GCM
 - regulation mass limits.

The load must be in relation to or part of the reason for, the vehicle's use under the scheme and must not be done for any fee or reward.

- Buses are permitted to carry non-paying passengers for journeys (joy rides) from an event (e.g. at a fete) and return provided the length of the journey does not exceed five kilometres. Payment of any kind cannot be made for these journeys.
- Road testing within a 15 kilometre radius from the place where the vehicle is garaged or is being repaired. The purpose of the travel must be to road test the vehicle following repair or restoration or for general vehicle maintenance and not for any other purpose.

Privacy Statement: The department is collecting the information on this form for the purpose of maintaining the department's vehicle registration register as required under the *Transport Operations (Road Use Management) Act*. The department or its agents/contractors may use your information in its communications with you and where relevant, may give some of the information to vehicle insurers, statutory entities, insolvency entities, lawyers, persons involved in vehicle incidents/accidents, vehicle manufacturers, third parties who are involved in or intend to commence legal proceedings, tolling entities, law enforcement agencies and interstate registering authorities. Your personal information will not be disclosed to any third party without your consent, unless authorised or required to do so by law.
